FEDERAL TRADE COMMISSION  
WASHINGTON, D.C. 20580

Division of Advertising Practices

Leonard Abramson  
President  
U.S. Healthcare, Inc.  
980 Jolly Road  
Bluebell, Pennsylvania 19422

Dear Mr. Abramson,

The Commission staff has conducted an investigation into the advertising practices of U.S. Healthcare, Inc. On review of this matter, it appears that no further action is warranted by the Commission at this time. This determination is based on a number of factors, including the fact that the advertising in question has been discontinued.

The action the Commission staff has taken is not to be construed as a determination that a violation may not have occurred, just as the pendency of an investigation should not be construed as a determination that a violation has occurred. The Commission reserves the right to take such further action as the public interest may require.

Sincerely,

A handwritten signature in cursive script that reads "C. Lee Peeler".
